

## J.O. TEAM REGISTRATION for

### WEEKEND ONLY (1-Tournament) Registration - \$30

USA Softball Missouri Code requires all USA Softball Missouri teams participating in tournament play be individually registered and covered by USA Softball insurance. An exception is made for teams who intend to play only in very few USA Softball tournaments and do not choose to use Individual Registration. This form is used to register properly, and be covered by USA Softball insurance for a single weekend tournament only (3-day maximum).

*Please note individual registration is only \$14 per person and covers your team for the entire calendar year (January-December). If you decide later to complete the full individual registration, the fee collected for this weekend only coverage will be credited to your I.R. fees.*

Please DO NOT use the old Weekend Only Registration Form; this form is to be used for 2018 tournaments and going forward!

Tournament Name	
Dates of Tournament	
Tournament Location (COMPLEX)	
Tournament Location (CITY)	
Tournament Director	
T/D Contact phone #
