Proceeds from the 50/50 drawing at the banquet will go to the umpires fund to help with costs of the umpire clinic. Silent auction proceeds will also help with costs of the umpire clinic.

***Tim Glascock made a motion to go into executive session. Mark Nelson seconded.***

Board went into executive session at 10:52 a.m. Came out of executive session at 11:05 a.m.

- Commissioner Rich wants to invite Eric Lewis to the awards banquet in February and give him a certificate of achievement for everything he has done for boys/men's fast pitch.

### Umpire in Chief Report

- UIC Rick Petty reviewed the two nationals Missouri had this year (Springfield - 18B Northern and Rolla – Coed). He congratulated George Sutphin on his first national UIC job in Rolla.
- Talked about umpire recruitment and ways we could get new umpires involved. We need to use social media more to help with umpire recruitment and we need to concentrate on getting more slow pitch umpires.
- At the national tournament level with slow pitch, there is a proposal to increase the umpire per game fee by \$5.
- Rick passed out the evaluations for the umpires who worked national tournaments.
- Rick is going to try to host another state umpire clinic in 2019. He plans to spread it out and go other places to have clinics. He feels we need to concentrate on our new umpires and get them to the state tournaments. We also need to get umpires to national events. There was discussion on having a tiered umpire payment system for state tournaments.

### Junior Olympic Report

- JO Commissioner Kristy Rich reviewed the numbers for the year in both individual registration and state tournaments. To date for 2018, there have been 4,024 individual registrations from 297 teams (3,857 from 276 teams in 2017). The number of sanctioned events for the year was 37 (31 in 2017). Everyone was encouraged to get their tournament dates turned in by December 1 so we could get them on TournamentUSASoftball.com.
- Ballparks of American (Branson) and Bledsoe Ferry Sports Complex (Warsaw) were new tournament locations who hosted sanctioned events this year.
- Jefferson City & St. Joseph both held 14A national qualifiers.
- Mrs. Rich reviewed the new individual registration platform with Sports Engine. The platform we had been using with Active.com has been discontinued.

*The Board took a break for lunch at 12:30 pm. Meeting started again at 1:03 pm*

### Code Changes

- Housekeeping to changing references of Missouri ASA to USA Softball Missouri. Commissioner Rich asked for everyone to look through the old code to find references to Missouri ASA or MASA.

- Article 4.03b – change from a 4-game to a 3-game guarantee (JO). Change wording to a 3-game bracket, not a guarantee. *Rick Petty made a motion to change the wording to a 3-game bracket. Ken Kwantes seconded. Motion approved unanimously.*
- Article 4.03I – Official Rain Policy. This policy will be listed on all state tournament information on TournamentUSASoftball.com as well as the website. *Tim Glascock made a motion to accept the Official Rain Policy as written. Terry Beas seconded. Motion approved unanimously.*

### Adult Slow Pitch Cash Awards

- Commissioner Rich passed around his suggestions for the 2019 adult slow pitch cash awards. It was discussed how managers were having a hard time cashing checks from this year's state tournaments which were made out to the team even with the manager's names on them. In 2019, tournament directors will make the checks out to the manager and then put the team name in the Memo line.
